	AP World History: Modern	5
Junior	AP Calculus BC	Enrolled
	AP Physics C	Enrolled
	AP Microeconomics	Enrolled
	AP English Language	Enrolled
	AP United States History	Enrolled

About Me

I enjoy learning, especially mathematics and physics, because I like understanding how things work and solving challenging problems. Balancing a rigorous STEM curriculum with EYBL basketball has taught me discipline, resilience, and the value of embracing challenges. I am motivated by environments that push me to think, compete, and continually improve.
